HADDAM VETERANS MUSEUM

HONOR ANY VETERAN WHO SERVED IN ANY BRANCH OF OUR ARMED FORCES

The Haddam Veterans Museum is pleased to offer an opportunity to purchase an engraved brick to be placed in our Veterans Memorial Walk. To be eligible, a Veteran must be honorably discharged or currently serving in any branch of the military. Also, families of a deceased veteran honorably discharged may purchase an engraved brick.

Only one engraved brick is allowed per eligible veteran unless they served in more than one branch of the military, ie; United States Marine Corps and the United States Air Force or were in more than one war or conflict,ie; World War II and Korea. The bricks are available for war time and peace time veterans.

The only acceptable format will include the veterans name, rank, branch of service, dates of service, theater of service, location of service, ship, fort or other military information which pertains.

This is not a fund raiser, therefore the engraved bricks will be sold for cost. The bricks are 4"x 8"x 2" with the engraving filled to the face of the brick and covered with protective coatings to ensure longevity.

All engraved brick orders are subject to approval by the Museum Committee.

There are two styles of engraved bricks available – one with a flag and one without a flag. Both bricks will have three lines of text but the number of allowable characters and spaces per line is different. The engraved text will be center justified.

COST PER BRICK: $ 50.00 including shipping and handling

THE PRICE IS SUBJECT TO CHANGE FOR ENGRAVING COSTS
