

Real Estate bills are mailed June 30th. We cannot collect for the new Grand List until the beginning of the new fiscal year, beginning on July 1st.

You have until August 1st to pay without interest. As long as an envelope is post-marked on or before August 1, 2016, no interest will accrue. Putting mail in your own box on August 1st does not guarantee that it will have the correct post mark date.

We do not mail bills out in January. The second installment is due by February 1st. As long as mail is post marked by February 1, 2017, no interest will accrue.

The full bill can be paid any time after July 1, 2016. You do not have to wait until January to pay the second half.

Partial payments can be made at any time. Interest will only accrue on a delinquent tax balance.

Payment dates, balances and general information can be found at haddam.org under Pay Taxes on Line.

Copies of your original tax bill can also be found there.
